TECHNICAL PROFICIENCY:

- ✓ Languages : COBOL, PL/I, JCL, RPGLE, CLLE.
- ✓ Environment : IBM Mainframe, TSO, AS400.
- ✓ Operating Systems : OS390, Windows 95/98/XP, MVS, Z-OS
- ✓ Database : DB2, SQL, Oracle.
- ✓ OLTP : CICS.
- ✓ Tools : Endeavor, OPC, Savers, File Aid, DOC/1, RTC, ALM, Sonar, ALDON, RQM.
- ✓ Others : Vision Plus.

PROJECT EXPERIENCE:

Project #1

- ✓ Project Name : National Credit Inc (NCI).
- ✓ Technology : AS400
- ✓ Languages : COBOL,RPGLE,CLLE
- ✓ Backend : DB2
- ✓ Role : Senior Developer.
- ✓ Duration : SEP 2017 – Till Date.

Project Description

- ◇ **National Credit Inc (NCI)** provides services to multiple Vendors in the Banking, Cards, and Mortgage Domain. Depending on the various requirements from the Clients and internal BA team the changes are implemented & delivered back to the client with high Quality.

Responsibilities

- ✓ Designed and coded logic for the incoming maintenance and customer bundling logic of the client. Customer contact and calling logic were built around this logic.
- ✓ *Removed the Batch Processing* - Legacy application was built around nightly processing services whereby the entire system will be down for more than eight hours to apply the processes and transaction generated during the day.
 - Identified key processing logic and formulated plan in phases to convert them into services without disturbing the existing modules.
 - Eliminated most of the convoluted and outdated processing and logic and reduced the nightly processing by around two hours.
- ✓ *Mainframe to AS400 Conversion* - The legacy system was modeled with AS400 as front end and mainframe as back end. Maintaining two systems with Batch processing was costly and time consuming. The project was designed to remove the mainframe system all together and move the mainframe logic into AS400.
 - Analyzed the existing system and documented the processing and procedure and drafted the workflow logic and created flowcharts.
 - After approval created design and coded the modules as part of the team and contributed to the completion of the project as a team.
 - Part of the core team that handles and fixes immediate production issues; Reviewed and monitored the system during the initial days of implementation.

Project #2

- ✓ Project Name : Royal Sun Alliance Insurance (RSA).
- ✓ Technology : Mainframes
- ✓ Languages : JCL, COBOL, CICS.
- ✓ Backend : DB2
- ✓ Role : Developer.
- ✓ Duration : JAN 2013 – AUG 2017.

Project Description

- ◇ **RSA** is one of the World's leading multinational insurance groups which serves more than 17.5 million customers across the entire World.

Responsibilities

- ✓ Developed n number of new Code & enhanced the existing functionality.
- ✓ Created many Programs for the backend processing on Mainframe (COBOL, DB2, JCL and CICS).
- ✓ Analysis and providing solution to lot application issues.
- ✓ Provided Technical & Functional Design's for n number of change items.
- ✓ Involved in Design & Requirement walkthrough with business

- ✓ Involved in technical issues across the entire applications.
- ✓ Unit Test preparation.
- ✓ Working on lot of Incidents to resolve the real time production issues.

TRAINING AND SEMINARS:

- ✓ Completed **Real Time Mainframe Training** from Proed Training PVT Ltd, Bangalore.
- ✓ Successfully Completed **Oracle Core DBA 10g OCP** Certification.
- ✓ 15 Days Training on **Vision Plus** (BASE 1).
- ✓ 2 Days Training on **Credit Cards**.

ACHIVEMENTS:

- ✓ Awarded as Employee of the Year in 2013 – **Accenture**.
- ✓ Received ACE Award from MD of the project for resolving more issues in a single release across different areas.
- ✓ Received Customer value creator award twice.
- ✓ Received Monthly Magic Box award twice for the outstanding performance.
- ✓ During the Onshore role got a positive feedback from the onshore team members & Business people.
- ✓ Completed Insurance Foundation Training.

EDUCATIONAL CREDENTIALS:

- ✓ Secured 75% in B.E (Computer Science) from Anna University at APCE.
- ✓ Scored 79.5% in Higher Secondary from SVM School.
- ✓ Received 72.2% in SSLC from SVM School.

PERSONAL INFORMATION:

- ✓ Father Name: - Rajendiran D.
- ✓ Mother Name: - Revathy R.
- ✓ DOB: - 24/08/1988.
- ✓ Address: - 87, Street, Thenpalli Vill & Post, Vellore DT – 632515, Tamil Nadu.
